The DELCOS XL with its high resolution touch screen display is extremely user friendly and self-explanatory.. The L07 and L11 compressors provide outputs from 26 to 64 cfm at pressures between 75 and 190 psig, and all models are air cooled.

Industries, both large and small, rely on CompAir rotary screw compressors for a constant supply of high quality compressed air.. All functions are clearly structured in five main menus and are intuitively visual.. Crack fl studio for mac The new CompAir Delcos XL controller is now incorporated in all L30 to L132 models (frame 3, 4 & 5) including Regulated Speed (RS) versions.
